

**MTP AXR**
**2800 RPM Motor pump with built-in unloader valve**
**MTP-AXR 8/120TS ■ MTP-KA 3200TS ■ MTP-KA 5000TS**

- ◆ Triplex piston AX axial pump with solid ceramic pistons
- ◆ Buna-textile "V" packing's and rubber seals
- ◆ Parts in contact with liquid are all in stainless steel and brass
- ◆ Pump head in brass with easy valve inspection
- ◆ Professional adjustable unloader valve
- ◆ Continuous duty 2800 RPM single phase or three phase electric motor
- ◆ Self priming up to 1,5mtr

**EASY-START**
**MTP AX**
**1450 RPM Misting pumps with built-in unloader**
**MTP-AX 2/70 ■ MTP-AX 4/70**

- ◆ Triplex piston AX axial pump with solid ceramic pistons
- ◆ Buna-textile "V" packing's and rubber seals
- ◆ Parts in contact with liquid are all in stainless steel and brass
- ◆ Pump head in brass with easy valve inspection
- ◆ Professional adjustable unloader valve
- ◆ Continuous duty 1450 RPM single phase electric motor
- ◆ Low volume 2,1 or 4,2 lp/m @ 69 BAR
- ◆ Self priming up to 1,5mtr

**EASY-START**

## High Pressure Pump Kits for Petrol Engines

### FDX Pump kits for horizontal shaft engines (Engines NOT included)

**FDX 13/150**

Kit includes the following:

- ◆ FDX 13/150 : **AXD3020G** pump 3/4" (19mm) shaft
- ◆ FDX 16/210 : **ZWD-K4030** pump 1" (25,4mm) shaft
- ◆ Comet designed trolley with 2 x pneumatic wheels & storage areas for gun, lance & hose
- ◆ Professional gun & lance with adjustable nozzle
- ◆ 8mtr high pressure rubber delivery hose

**FDX 16/210**

**CX 10/150**

### CX 10/150 Pump kit for 7/8" vertical shaft engine (Engine NOT included)

Kit includes the following:

- ◆ Comet **VRX2522V** pump, suitable for 46 to 80mm length shafts
- ◆ Comet designed trolley with 2 x pneumatic wheels & storage areas for gun, lance & hose
- ◆ Hobby gun & lance with adjustable nozzle
- ◆ 8mtr high pressure rubber delivery hose

MODEL	LPH	BAR	PUMP	RPM	kW

<b>FDX 16/210</b>	960	210	ZWD-K4030	3400	8,1
<b>CX 10/150</b>	600	150	VRX2422V	3400	3,7

## PTO PREMIUM Pumps for Tractor Mounting

### Standard Features

- ◆ **550 RPM version** : gearbox for 1450 RPM FW & TW pumps
- ◆ **1000 RPM version** : direct coupling to TWN pumps
- ◆ Epoxy coated frame suitable for tractor 3-point mounting
- ◆ Shield for PTO Shaft
- ◆ Brass water suction filter
- ◆ Professional gun & lance
- ◆ Professional adjustable unloader valve
- ◆ Pressure gauge
- ◆ 10mtr Rubber delivery hose
